

CITY OF FORT LAUDERDALE UPDATE

UPDATE ON SEWER MAIN REPAIR ACTIVITIES IN FORT LAUDERDALE

December 28, 5:30 p.m.

Following is an update on sewer main repair activities and restoration work on a 16-inch line on NE 5 Street in Victoria Park, a 54-inch line on SE 10 Street along the north side of Virginia Young Park in Rio Vista, and a 48-inch line in the Himmarshee Canal in Beverly Heights. In addition, below are updates on ongoing cleanup and remediation efforts in the Hector Park area along Ponce de Leon Drive in Rio Vista.

Operations in Victoria Park

- Crews continued restoration work on NE 5 Street between NE 16 Avenue and NE 17 Way.
- NE 5 Street between NE 16 Avenue and NE 17 Way is open to local traffic only while remediation work continues.
- Crews from Cliff Berry, Inc. (CBI) conducted cleanup and pressure washing activities in the affected area on NE 5th Street.
- Neighbors in the affected area are reminded to avoid contact with standing water and any area affected by the wastewater spill that has not been remediated. To view a safety tips flyer, please visit <http://bit.ly/2sUvr73>.

Operations in Virginia Young Park

- The contractor completed installation of a 45-foot section of new pipe on SE 10 Street along the north side of Virginia Young Park.
- Activities today focused on backfilling the pit around the new pipe. Once the backfill is completed, crews will conduct surface restoration.
- Crews from Cliff Berry, Inc. (CBI) continued to conduct remediation activities including cleaning and pressure washing streets, sidewalks, and driveways in the affected area.
- Stormwater staff continued to conduct cleaning and maintenance activities on catch basins, tidal valves, and storm drains in the affected area. In the event of heavy rain, resources are ready to be deployed to address any potential flooding issues.
- Virginia Young Park remains closed while repair activities are taking place.
- Neighbors are reminded that the area in and around Virginia Young Park is an active construction zone and access is restricted to appropriate operational and management personnel.

Operations in the Himmarshee Canal

- The valve device around the submerged 48-inch pipe in the Himmarshee Canal continues to operate properly.
- Divers plan to continue to monitor the valve for approximately 48 hours. If no further adjustments are needed, divers will apply special concrete around the apparatus today to permanently secure it in place.
- Three aerators continued to operate in the Himmarshee Canal to help improve water quality.
- The Himmarshee Canal from S. Federal Highway to the New River remains under a precautionary advisory for recreational water-related activities. Swimming, fishing, jet-skiing, paddle-boarding,

kayaking, canoeing, or engaging in any water-related activities within the precautionary advisory area should be avoided.

Cleanup and Remediation of Ponce de Leon Drive/Hector Park Area

-Crews from Cliff Berry, Inc. (CBI) conducted cleanup, pressure washing, and deodorizing activities where needed on Ponce de Leon Drive, SE 11 Street, and in areas around Hector Park.

-Stormwater staff was on site today and, with rain in the forecast, will remain on site during the overnight hours to monitor drainage operations in the affected area and address any potential flooding issues.

-Hector Park remains closed to the public.

Environmental Activities

-Crews from CBI conducted air lancing activities today in the Tarpon River to help break down the organic material that was discharged into the waterway.

-14 aerators continued to operate 24/7 to help improve water quality in the Tarpon River, New River, and Himmarshee Canal.

-Boats continued to patrol the canal system in and around Rio Vista and in the Himmarshee Canal conducting skimming and debris removal on the waterways.

Road Closures in Rio Vista

-Roads in the immediate vicinity of Virginia Young Park remain closed including portions of SE 10 Street and South Rio Vista Boulevard east of SE 9 Avenue, as well as SE 9 Avenue from south of the intersection at SE 8 Street to Ponce de Leon Drive.

-There is no access east of SE 9 Avenue at the intersections of SE 9 Street, SE 10 Street, South Rio Vista Boulevard, and the north side of Ponce de Leon Drive.

-To view a map of the road closures, please visit <http://bit.ly/34W91Q6>.

Safety Tips

-Neighbors in the affected areas are reminded to avoid contact with any standing water.

-If contact is made, please remember to follow proper hygiene procedures. Wash your hands with soap and warm water or an alcohol-based hand sanitizer immediately after contact with wastewater, especially before preparing or eating food.

-Be sure to keep all children and pets away from any area affected by the wastewater spill.

-Keep a container or spray bottle outside residential entryways with a 90/10 solution (90% water to 10% household bleach) to clean shoes and other items that may have come into contact with wastewater.

Precautionary Advisory for Water-Related Recreational Activities

-A precautionary advisory for recreational activities in local waterways remains in effect.

-The boundaries are Broward Boulevard to the north, Poinciana Drive to the east, SE 15 Street to the south, and SW 18 Avenue to the west. Water-related activities including swimming, fishing, jet-skiing, paddle-boarding, kayaking, and canoeing should be avoided within these boundaries.
